Fine payments for Las Vegas Justice Court criminal cases can now be made via the web or by telephone

Las Vegas Justice Court began accepting fine payments for criminal cases on the court's website (www.lasvegasjusticecourt.us) and through the criminal division's phone line (702-671-3201) on December 1.

From the home page of the website, users will need to select the Criminal Search/Pay Fine button to initiate a search for their criminal case.

A rectangular button with a dark red background and gold border. The text "CRIMINAL SEARCH/PAY FINE" is written in gold, uppercase letters.

Users will then select the link for Criminal Records, and perform a Criminal Records search. Once the correct case record is found, click the case number link to open the Register of Actions for that case, and then select the Make a Payment button on the right. (Note: the button will not appear if no balance is due)

Callers who wish to pay over the phone will enter their case number, and then be routed to the automated payment processing system.

*****Please note any payments made on the web or the phone will be assessed a \$5.00 convenience fee on top of any amount paid for each transaction. *****
